The Jokhang Temple similarly, is the most sacred and important temple in Tibet. The Norbulingka Palace and its park are one of the largest man-made parks in all of Tibet.

The Tibet Tour lets visitors explore the Sera Monastery as well- one of the grand monasteries of Tibet renowned for its blooming red and white roses. Also, the tour presents exploring the Drepung Monastery- the largest of all Tibetan monasteries in the country. In the same way, the Barkhor Market is a vibrant marketplace that surrounds the Jokhang Temple.
